

# Polinización cruzada

- Valida la idea de solución con los otros actores clave.
- Registra en las celdas del panel aquellas recomendaciones que consideres esenciales para ajustar y fortalecer tu propuesta.

A large hexagonal grid for cross-pollination. The grid consists of 12 hexagonal cells arranged in a 2x6 pattern. The central two cells are separated from the outer ones by a double-line border. There are three bee icons: one on the left side, one on the top right, and one on the bottom right.
